# Rager

United States Forest Service  
Ochoco National Forest  
Oregon Department of Fish and Wildlife  
Oregon State Police  
Crook Co Sheriff

**Period of Restriction:**  
Aug. 20 - Nov. 20

Rager Travel Management Area (TMA) is part of a co-operative access program maintained by Oregon Dept. of Fish and Wildlife and the United States Forest Service. Rager TMA was established in 1973 and encompasses 352 square miles of Ochoco National Forest. The purpose of this TMA is to create quality recreational hunting experiences and reduce resource damage.

Only those roads shown in green, and the adjacent area within 300 feet of those roads, are open to motorized vehicles during the period of restrictions. Closure begins 3 days prior to the opening of buck deer rifle season through the close of all bull elk rifle seasons. Motorized vehicle travel within the TMA boundary on all other roads, trails, and cross-country is prohibited except by special permit from the Ochoco National Forest.

During the period of closure, normal agency administrative activities and commercial forest practices will be in process. No one involved in these operations is allowed to hunt, transport game and/or hunters while using vehicles in the closed area. Please be aware of heavy logging traffic on some roads. Woodcutters must comply with Rager TMA closure regulations. All OHV guidelines, including operating permits, road restrictions, and requirements apply.

ORDER NO. 06-07-02-23-01  
Exhibit A

revised 6/16/2023

-  Travel Management Area

The green reflector (dot) system of posting open roads is used in this area. There will generally be no posting of closed roads or areas.

**ATTENTION DEER AND ELK HUNTERS:** ODFW is testing for Chronic Wasting Disease (CWD), a fatal, infectious disease. For testing, you may contact your local ODFW office to set up an appointment, submit a head via collection barrel outside your nearest local ODFW office, or stop by a deer or elk season check station.  
Please visit [www.myodfw.com/CWD](http://www.myodfw.com/CWD) for more information.
